CEP Informational Letter

Lakewood Public Schools 8/1/2023

Dear Parents and Guardians:

Please take a moment to complete the form and return it to gour student's school. The Education Benefits Form collects information needed to ensure the school receives state and federal funding for education programs. Without this information, Lakewood Public Schools could lose important funding for education programs that our students need. These supplemental grants and programs have the potential to offer supports and services for our students including, but not limited to:

- Instructional staff (ex. Reading Interventionists, Math Tutors, Academic & Behavior Aids)
- · Teaching supplies and materials
- Counselors and Social Workers
- School Nurses
- Professional Learning for staff
- Parent and Community engagement supplies and activities
- Technology

Why is Lakewood Public Schools requesting financial information? The Education Benefits Form determines eligibility of a student or household. The total count of eligible students is used to determine the funding amounts that will be made available to a school. The more forms returned the better.

What do I need to do? Please complete the attached form and return it to Lakewood Public Schools.

How will this information be protected? In keeping with current practices, all applications are keep in a file in the food service director's office.

What else might my student or household be eligible for? Based on the information you provide on your Education Benefits Form; your child may qualify for other programs such as: edit list below based on your school/district programs

- Pay to play or Pay to Participate
- Reduced Fees in Band Program

You must complete the **Sharing Information with Other Programs form**, email attachment or you can print from the Lakewood Public Schools website. All forms will be available at all school offices as well.

If you have any questions, please contact Traci Brewer at 616.374 2415
