Such time spent handling grievances during the representative's regular working hours shall be considered working hours in computing daily and/or weekly overtime if within the regular schedule of the representatives. The Association shall have the right to use school facilities and equipment, when such equipment is not otherwise in use. A reasonable charge may be made by the Board.

Section C.

The Board and Association agree to treat all bargaining unit members fairly and equitably.

ARTICLE 6: GRIEVANCE PROCEDURE

Section A.

A grievance is defined as a claim by a represented bargaining unit employee, group of bargaining unit members, or the Association, based upon any alleged violation of this Agreement.

Section B.

Depending upon the level reached in processing the grievance, a "party of interest" shall be defined as the employee or group of employees, or the Association, on the one hand, and the Superintendent or his/her designated agent, or the Board, on the other hand.

Section C.

The term "day" shall be interpreted as meaning a working day for central office.

Section D.

The primary purpose of the procedures set forth in this Article is to secure, at the lowest level possible, agreeable and equitable solutions to a stated grievance. Parties of interest agree that these proceedings shall be kept confidential.

Section E. Structure

1. The immediate supervisor of the aggrieved party is designated as the administrative representative for Level One of this procedure.
2. The Superintendent is the administrative representative for Level Two; but he/she may designate his/her position at this Level to the Assistant Superintendent.
3. The Board will act in its own behalf at Level Three of this procedure. It may, at its discretion, designate three (3) of its members to fulfill its obligation at Level Three.
4. A grievance may be filed at Level Two if it could affect personnel in more than one (1) school building or worksite, or if the immediate supervisor would have no power to provide remedy.

Section F. Procedure

A bargaining unit member or group of bargaining unit members that feel there is a grievable violation of this agreement must first bring it to the attention of the immediate supervisor within ten (10) days of the alleged violation. The matter will be reviewed orally, with the objective of resolving the issue.

After the matter is first brought to the attention of the appropriate administrative representative, said representative shall have ten (10) days to respond. If the matter is not resolved satisfactorily at this oral step of the procedure, the issue may be taken up as a written grievance and processed through the steps as outlined below.

1. Level One: Any represented bargaining unit member or group of represented bargaining unit members of the Association, may file a written grievance with the immediate supervisor within fifteen (15) days of the supervisor's verbal response. He/she shall meet with the grievant and/or representatives of the Association if requested by the grievant within ten (10) days after receipt of the written grievance. He/she shall reply in writing to the grievance within ten (10) days after this meeting.
2. Level Two: If the immediate supervisor's reply is not acceptable to the grievant, a written grievance may be filed with the Superintendent within ten (10) days after the supervisor's reply has been received. The Superintendent shall meet with the grievant, and/or representatives of the Association within ten (10) days after receipt of the grievance. The Superintendent shall reply in writing to the grievance within ten (10) days after this meeting.
3. Level Three: If the Superintendent's reply is not acceptable to the grievant, the Association President or designee may file a written grievance with the Board of Education Secretary on behalf of the grievant within ten (10) days after receipt of the grievance from the Superintendent. The Board's decision, or that of its representatives, shall be rendered to the Association in writing within ten (10) days after the next regular Board of Education meeting.
4. Level Four: If the decision of the Board is not acceptable to the grievant, the Association may

appeal the grievance to arbitration. No individual employee shall have the right to pursue a grievance to arbitration under this clause without the approval of the Association in writing. If the parties can't reach mutual agreement on an arbitrator, the grievance may be submitted to an impartial arbitrator selected through the American Arbitration Association in accord with its rules, which shall likewise govern the arbitration hearing. If such appeal is not made within fifteen (15) days after receipt of the Board's decision, the grievance shall be determined to be withdrawn.

- a. The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. Binding arbitration shall apply only on the alleged breach of the Master Contract.
- b. There shall be no appeal from an arbitrator's decision if within the scope of his/her authority as set forth in Subparagraph 4 (four) of this Article. It shall be binding upon the Association and the Board. Noncompliance with the arbitrator's decision by either party within thirty (30) days shall be just cause for appeal to a court of competent jurisdiction.
- c. The fees and expenses of arbitration shall be paid by the party losing the grievance.

Section G.

The time limits set forth in this article may be extended by mutual consent of the parties involved, provided such agreement is made before the timeline of interest expires. Any such extension of time limits shall be in writing, signed, and dated by representatives of the parties of interest. Failure to process the grievance to the next level within the timelines shall bar the grievance and be considered withdrawn on the basis of the prior decision. A grievance may be withdrawn by the grievant or the Association at any level without prejudice.

ARTICLE 7: VACANCIES, PROMOTIONS AND TRANSFERS

Section A.

1. A vacancy shall be defined as a newly created position or a present position that is not filled, which the District intends on filling.
2. Extra trips (off-routes) are all bus runs which are not regularly scheduled (for example, athletic events, field trips, etc.).
3. Special functions are those functions outside the regular work day that require the services of a bargaining unit member.

Section B.

All vacancies shall be listed in the weekly bulletin as soon as it is known the vacancy exists. No position shall be permanently filled until the position has been posted for ten (10) working days after the release

date of the bulletin. The Employer will fill the position within thirty (30) working days of the end of the posting period. Building representatives are encouraged to post notice of openings.

Information shall include type of work, location of work, minimum qualifications, hours (number and schedule), expected starting date and contact person for additional information.

Section C.

Interested bargaining unit members must apply in writing with the appropriate contact person within ten (10) working days of distribution of the weekly bulletin. Employer shall notify bargaining unit members of vacancies during summer months (June, July, August) by making weekly bulletins available in the Superintendent's office to all interested persons or by mailing, **physically or electronic**, bulletins in self-addressed stamped envelopes provided by the employee.

Section D.

The most senior applicant from within the affected classification who meets the minimum qualifications for the position shall be appointed to the vacancy provided total hours per week do not exceed 40.

Section E.

Any bargaining unit member, who has been incapacitated at his/her School District worksite by compensable injury or occupational disease may, at his/her option, fill a vacancy for which he/she is qualified and which he/she can do. This shall not violate FMLA.

Section (F).

Should no bargaining unit member from the affected classification who meets the minimum qualifications apply, the district will grant interviews to the three most senior applicants from other classifications. Additional bargaining unit members may be interviewed if the district chooses to do so.

Section (G) Transfers to a Posted Vacancy

Any bargaining unit member that accepts a posted position shall not be allowed to bid on their previous position for a period of sixty (60) work days unless the superintendent authorizes such a bid. The superintendent may grant a reasonable trial period of no more than thirty (30) working days for anyone transferring to a posted position.

Section (H).

Any applicant may request the reason he or she was not selected. Unsuccessful interviewed applicants shall be notified personally or by email as soon as possible after the selection has been made.

Section (I).

The parties agree that involuntary transfers of bargaining unit members are to be made only when there is a clearly stated purpose and will not be done capriciously or arbitrarily.

Section (J).

Bargaining unit members that fill temporary vacancies outside their normal classification(s) will be paid at the LESPA sub rate. (See Appendix A)

A bargaining unit member who accepts an assignment to cover a supervisory position due to absence of the supervisor shall be paid an additional \$1.75 per hour for the first five days of the assignment. After five consecutive days the rate shall increase to the lower of an additional \$3.00 per hour or the supervisor's rate.

Section (K).

All bargaining unit members within their classification shall be given the opportunity in rotation order to work at special functions (food service) if they choose.

Section (L).

The following conditions apply to transfer of classification by bargaining unit members:

1. When a bargaining unit member transfers to a position on a lower wage scale, s/he shall be moved to the corresponding step based on years of service on the wage scale that applies to the new position.
2. When a bargaining unit member transfers to a position on a higher wage scale she/he shall be placed on the wage step that is closest in amount to his/her current wage. However, in no case shall the new wage be lower than the old wage.
3. Longevity is years of service to the District in the bargaining unit. Upon completion of ten years of service, the bargaining unit member shall automatically be placed on the longevity step, providing s/he has worked at least one full year on the wage step directly preceding the longevity step.
4. When transferring classification, premiums shall be excluded in determining step placement.
5. Bargaining unit members in non-stepped positions will be placed on step 1 when transferring to a new position.
6. Bargaining unit members accepting an assignment in addition to their current position will start on step 1 in the new position. Step adjustment in the new position will be made to reflect years of service if the original position is later vacated.

Section (M).

Additional hours added to regular assignments for assisting large classes, special needs of disabled students and other special assignments that extend the hours of a bargaining unit member shall be regulated

by the Board Schedules of bargaining unit members may be adjusted by up to one additional hour per day per year without the need for posting the position which has been adjusted. If, however, more than one hour per day per year is added to a position during any school year, it shall be posted as a vacancy. The Association will be notified whenever additional hours are added to a bargaining unit position.

Section (N).

When a vacancy or new position will create opportunities or necessity for bargaining unit members to move positions, the administration and Association shall determine if a bid process would expedite the hiring process. Affected bargaining unit members would be notified of the bid meeting time and place and would be provided a detailed list of the position(s) available and a current seniority list prior to the bid meeting. Only those positions that are vacant or newly created are to be considered as available for bid.

ARTICLE 8: WORKING CONDITIONS

The employee may appeal that determination to the superintendent if they believe the determination to be incorrect.

4. The District shall contract with a medical facility to provide state-required physical examinations at no cost to the employee. If an employee chooses to go to his/her own doctor, the District shall reimburse the employee up to \$50.00 for the physical examination at the end of the school year.

Section F. School Closings

Overtime sheets shall start on July 1 of each year and end on June 30. No bargaining unit member will be regularly scheduled for more than 8 hours per day without the member's consent.
3. Schedules shall not be changed to avoid the payment of overtime. However, the parties can mutually agree to schedule changes through the "Living Agreement" article.

Section I.

Any bargaining unit member who is not put to work after call-in shall be guaranteed two (2) hours pay at the rate specified in this Agreement.

APPENDIX A: QUALIFICATIONS OF TITLE I PARAPROFESSIONALS

In general, under Michigan law, paraprofessionals are required to hold a high school diploma (or equivalent), regardless of their assignment. The Michigan Department of Education (MDE) does not issue a certificate or license for paraprofessionals.

Paraprofessionals providing instructional support in Title I buildings must meet additional requirements beyond a high school diploma. This includes paraprofessionals who do the following:

1. Provide one-on-one tutoring if such tutoring is scheduled at a time when a student would not otherwise receive instruction from a teacher.
2. Assist with classroom management, such as organizing instructional and other materials.
3. Conduct parental involvement activities.
4. Provide instructional assistance in a computer laboratory.
5. Provide support in a library or media center.
6. Act as a translator.
7. Provide instructional support services under the direct supervision of a teacher.

For paraprofessionals working in Title I, Part A buildings, the MDE has established qualification requirements which include:

1. Completing at least two years of study at an institution of higher education (equal to 60 semester hours); or
2. Obtaining an associate's degree (or higher); or
3. Meeting a rigorous standard of quality demonstrated through passage of an approved formal state academic assessment.

Currently the only MDE approved test for new paraprofessionals is the ETS ParaPro Assessment. This test can be taken by perspective candidates from their own home rather than having to attend a testing center. More information can be found at www.ets.org/parapro.

Noncertified personnel may not be given full responsibility for instruction or assessment of students. They may provide complementing, supplementing, or reinforcing instruction or intervention to individuals or small groups of students without the teacher physically being present for a limited period of time as long as the teacher knows the whereabouts of the aide and students at all times, the noncertified personnel are never given full responsibility for instruction, and the activities of the noncertified personnel are always under the meaningful direction and supervision of the teacher.
